

Service Information Letter**SIL.FDC.ALL.0012**

TO : All Operators
FROM : FDC/aerofilter Product Support
SUBJECT : Actuator Exchange Program

FDC/aerofilter is pleased to announce the launch of its new Actuator Exchange Program. The exchange program applies to all FDC/aerofilter inlet barrier filter systems equipped with electrically actuated bypass doors.

The exchange program includes two key features:

1. The introduction of overhauled actuators as an option for spares sales.
2. Eligible cores may be returned for a credit.

Only actuators manufactured by Aerometals as part numbers A281-1, A281-3, A281-5, and A301-1 are eligible for core credit. Actuators manufactured by Barber-Colman or CK Design are not eligible.

Supply of overhauled actuators is based on core returns and can be limited. Please contact Tina Linderoth for current price and availability prior to submitting a purchase order.

Table A – Current Actuator Part Numbers

Aircraft	Part Number
Bell 206A/B Series (OH-58)	A281-1 (w/o connector)
	1206A4-A520 (w/connector)
Bell 206L Series	A281-1 (w/o connector)
	1206A4-A2520 (w/connector)
Bell 407	A281-1 (w/o connector)
	1206A4-A2520 (w/connector)
AS350 Series	A281-3 (w/o connector)
AS350B3 Dual Hyd. Only	1350A7-5 (w/connector)
EC130B4	A281-3 (w/o connector)
	1350A7-5 (w/connector)
EC120B	A281-5 (w/o connector)
	1120A7-5 (w/connector)
EC135 Series	A281-3 (w/o connector)
	U006A1-1 (w/connector)
MD369/500	A301-1
Hughes OH-6	A281-5

- For overhauled unit, add “OVH” to end of part number on purchase order (i.e. A281-3 OVH).
- Eligible core(s) must be returned to FDC/aerofilter Attn: Tina Linderoth or Ron Bannister with Return Merchandise Authorization (RMA) within 30 days of the purchase of an actuator in order to receive credit. Credit (US \$300) will be issued upon receipt of eligible core.
- All shipping charges will be at Customer/Operator’s expense.
